MOOD:  indescribable

I am such a wonderful ex-boyfriend. I am the nicest, best, most wonderful ex-boyfriend on Earth. I am an ex-boyfriend so awesome that women should date me, *just so they can have me as an ex-boyfriend later on.* (You think I could sell that?)

I should probably feel like a very bad person for enjoying that so much, but in an *epic moral fail*, I am not even a little bit sorry. Well, okay. Maybe I was a little sorry when Tasha "accidentally" kicked me in the head. But I didn't drop her!

(Hi, Tasha!) (Admit it. I could not have been nicer. And if he hadn't been willing to find any excuse anywhere, any time, not to let me belay him, *I totally would not have dropped him on his head.*) (Think he'll ever come back?)

And now off to O's place, where I will be meeting O and the notaboy and T. and her Harpy for post-wallcrawling pizza and beers, because in a shocking break from tradition, Mom brought in Greek for lunch today. And then we will probably all sit around on the sofa with our laptops and type at each other while watching bad movies.

Because yes, we *are* that lame.

Hawaiian pizza, here I come!

I'm not in the market, not in your age group and not in the same damn TIME ZONE but if I were ever looking for a future ex-boyfriend I'd totally buy that sales pitch.

I really can't pitch 'em much slower without putting 'em in the dirt.

Dear Sir,

I find your ideas strangely compelling and wish to subscribe to your newsletter.

Also, is it possible to purchase the ex-boyfriend part of the package as a stand alone? I have other ex-boyfriends but none of them offer the service and support of this model, being of much older design with none of the attractive and useful features of this current release.

We have a special "pal" package. Will that suit your needs?

I will refer all my friends!

My last ex-boyfriend brought his sister along to tell me he was moving out 'so there wouldn't be any unpleasant scenes'. My hand to God. I made it a point, when we ran into each other afterwards at public events, to enquire about his sister's well-being.

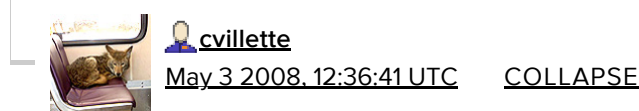

Apropos of nothing, i found this as i was surfing images of border collies, waiting to take my new little fuzzy one out at 11, and found this and thought of you....

(really, i was looking at this:

, but my goodness, they have a huge inventory of skulls!)

...Cousin Sally? OH NO!

Now you mention it...

I don't even remember what I was originally looking for when I bumped into that one.

It's traumatize Chaz day on the internet!

You should totally put it on your [dating resume](#). Mention it in the cover letter, too. ;)

No. Bad. Stop.

Oh hell yes! (Though I'm not so sure I'd be anxious to get to the ex part, actually.)
